Broker and Customer Feedback

"Preferred is our go to carrier. We love working with their employees. They are all very courteous and professional. I will say this, work with them and your will be happy with that decision"

"For 20 years, I've managed group insurance programs. I've learned that there are three keys to containing workers' comp cost: workplace safety services, claims management and fraud prevention. Preferred Employers is an active participant in each and provides exceptional support."
