### Networked Expands Agent Portal with All New Instant Bind Request, Document Retrieval

May 31, 2016 <Grass Valley, CA> - Networked Insurance Agents announced today the launch of its redesigned *myAGENCY* online platform. Part of the next generation *myAGENCY* portal allows agents to instantly request a bind for new or renewal accounts, submit commercial and personal lines policy change requests using an automated form that eliminates the need for an Acord, retrieve policy documents immediately, and upload membership documentation.

“By continuing to add new features, the 4,000 registered users always have a reason to login. The breakthrough technology within *myAGENCY* is a key benefit for independent agencies and differentiator for Networked. We are committed to providing our members every advantage to grow and to write more business with our carrier partners,” said George Biancardi, President and CEO at Networked. “We look forward to developing more 24/7, self-service features for our members.”

From the *myAGENCY* platform, agency staff can login, then submit and track new applications, retrieve policy documents, access carrier marketing materials, review training resources, download Acord and supplemental forms and submit service requests for faster turnaround on quotes, endorsements and loss runs. Each agency is able to stay on top of their book of business with Networked through leading edge online tools.
