

## **Networked Insurance Agents Named in *Business Insurance's* Annual Best Places to Work in Insurance**

*Award Recognizes Outstanding Employers in the Insurance Industry*

**Grass Valley, CA - September 15, 2017** – Networked Insurance Agents today announced it has been named in the annual Best Places to Work in Insurance program, which recognizes employers for their outstanding performance in establishing workplaces where employees can thrive, enjoy their work and help their companies grow. This is the third time in four years that Networked has earned this award.

Networked placed in the Small Employee category with the highest positive results in survey categories for: Role Satisfaction, Work Environment, Relationship with Supervisor, Leadership and Planning, and Overall Engagement. The company's employee-focused accomplishments in 2015-17 included, a significant number of internal promotions, the launch of an employee newsletter, 'The Net', and a formal mentorship program and expanded staff training in job and personal disciplines called Net U, and a new 'You Rock' peer recognition program.

"Being named to *Business Insurance's* list of the Best Places to Work in Insurance for 2017 demonstrates that Networked has built a culture in which employees are supported and engaged, which benefits their customers and the employers' financial performance," says *Business Insurance* Publisher Peter Oxner.

Best Places to Work in Insurance is an annual sponsored content feature presented by the Custom Publishing unit of *Business Insurance* and Best Companies Group that lists the agents, brokers, insurance companies and other providers with the highest levels of employee engagement and satisfaction. Harrisburg, Pa.-based Best Companies Group identifies the leading employers in the insurance industry by conducting a free two-part assessment of each company. The first part is a questionnaire completed by the employer about company policies, practices and demographics. The second part is a confidential employee survey on engagement and satisfaction.

The program divides employers into the categories of small, 25-249 employees; medium, 250-999 employees; and large, 1,000 or more employees. This year's report features 75 companies of various sizes, from 25 employees to more than 4,000.

The ranking and profiles of the winning companies will be unveiled as a sponsored content supplement in the November issue of *Business Insurance* and online at [BusinessInsurance.com](http://BusinessInsurance.com).

### About Networked Insurance Agents
